Core & Next

The CORE Image Certification is a CEU-accredited foundational program offering 3.2 Continuing Education Units (CEUs), designed to equip aspiring Image Consultants and Coaches with essential skills in Colour and Style. Based on the core competencies of AICI (Association of Image Consultants International, USA), this international program meets global standards and is ideal for beginners and professionals looking to enhance their image consulting techniques.

Upon completing **CORE**, participants can advance to **the NEXT Image Certification (Advanced Level)**, which includes the IITTI Soft Skills Training, recognized by the United Nations for supporting the Sustainable Development Goals.

This level offers a Canadian Certification in International Soft Skills upon passing the Level 1 World Civility Index exam and prepares consultants to coach executive clients, lead corporate training on executive presence, and conduct impactful stage presentations.

The NEXT program also provides tools for seminar design, branding, and corporate consulting, empowering participants to become highly sought-after image professionals ready to train and coach at a global level.

INTERNATIONAL IMAGE CERTIFICATION

Core

3.2 CEUS
FUNDAMENTAL LEVEL

Core Image Certification (3.2 CEUs)

- CORE is a foundational, internationally recognized Image Certification Course awarding 3.2 Continuing Education Units (CEUs), equating to 32 hours of structured, professional training.
- Designed to provide essential Colour and Style competencies, the program lays the groundwork for a successful image consulting career.
- Fully aligned with the core competencies of AICI (Association of Image Consultants International, USA), ensuring participants receive training that meets global industry standards.
- CEUs are granted for accredited programs aimed at professionals holding certificates or licenses, validating both academic and practical rigor.
- **Ideal for:**
 - Aspiring Personal Color Analysts, Personal Stylists, Personal Shoppers, and individuals working in image-related fields who are ready to begin their professional journey
 - Experienced professionals seeking to refresh and expand their skills under the guidance of a global master
- The program blends theoretical knowledge with hands-on application, covering colour theory, personal style, body analysis, wardrobe planning, and real-world shopping experiences.
- Completion of CORE equips participants with the confidence and competence to begin offering image consultation services or continue advancing their professional credentials.
